Meeting Goals: To strengthen and coordinate the existing resources through building authentic relationships in the South Puget Sound area that serve our community. To identify and further clarify the unmet needs of our community and help develop resources to meet those needs. To provide comprehensive information regarding needed support for our community throughout the lifespan.

Guest Speaker/Presentation Information: Vanessa Adams, Kids Mental Health Pierce County

Kids’ Mental Health—Pierce County (KMHPC) is a coalition of people and agencies in Pierce County that are joining together to address the growing behavioral health crisis among school age children and youth. KMHPC is dedicated to developing a coordinated, responsive behavioral health system that serves the needs of children, youth and families at the right time, in the best place, with the best outcome for every family. KMHPC coordinates with initiatives focused on young children to create a continuum of behavioral health services starting at birth.
