

SIBLING HANGOUT

We're so excited to see you're interested in sibling hangout groups!

At this time, no pre-sign up is required. This is open to any siblings, aged 5-18, who have a brother or sister with a developmental, health or behavioral need that is different from their own. If you are interested in group options for that participant with different needs, our admin team can help facilitate an appropriate group option for them! If that participant is ALSO interested in sibling hangout, please reach out to our admin team. In these cases, we may ask that siblings from the same family are scheduled one per week.
